

RESOLUTION
ON
~~THE ESTABLISHMENT OF~~
THE APPU WORKING GROUP ON ALTERNATIVE CLEAN ENERGY
COOPERATION FOR SUSTAINABLE DEVELOPMENT

Submitted by the Thai APPU National Group

The 40th APPU General Assembly :

AWARE of the need to develop the alternative energy in order to relieve challenges arising from energy crisis;

DEEMING it significant that an in-depth study and closer cooperation among APPU Member Countries be conducted as soon as possible to find suitable solutions to this matter and promote the activities of the APPU;

DECIDES therefore to set up the APPU Working Group on Alternative Clean Energy Cooperation for Sustainable Development comprising representatives of interested APPU Member Countries;

URGES APPU Members to participate actively in the tasks of the Working Group;

ASKS the Secretary General of the APPU Central Secretariat to make available the necessary coordination for the Working Group to operate effectively.

Adopted on 11 August 2009
